GATEWAY OF CHAMPIONS
Gator Boosters, Inc.
P.O. Box 13796
Gainesville, Florida 32604

Dear Florida Gators,

The 2006 season of Florida Football was an incredibly special year for the Gators. We capped off our 100th season the best way we could, by winning the SEC Championship and the National Championship!!

In order for us to continue to achieve this type of success, we need your help now! This past February, we broke ground on an expansion of the football offices, Gator Room and South End Zone weight room. This project will give us a true "front door" to the football program and provide us the opportunity to showcase the proud history & tradition that is Florida Football. The weight room will provide our football team with a state of the art area to train in. This new facility will truly impact the future success of the program and help us achieve our goals as we strive to be the best in every aspect.

The support of the Gator Nation is truly remarkable and I want to thank you for all you do. I hope you consider joining us as we build the "Gateway of Champions."

Go Gators,

Urban Meyer
Head Football Coach

PROJECT HIGHLIGHTS

Total Project Cost: \$28 million

2-STORY ATRIUM entryway that will include interactive displays, memorabilia highlighting the proud history & tradition of Florida Football, and trophy cases featuring the National Championship, SEC Championship, and Heisman trophies.

The **GATOR ROOM** serves as the "front door" to our football program for potential recruits & their families. On a home game day, this room is the center of all recruiting activities. Once completed, the Gator Room will have doubled in size to over 4,000 square feet.

The **SOUTH END ZONE WEIGHT ROOM** is home to many of the Gator sport teams. The renovation and expansion of the weight room will triple the square footage to over 20,000 square feet. This area will also include an astro-turf indoor running area. The expanded weight room will not only benefit our football team but student-athletes of all sports.

The **FOOTBALL COACHES OFFICES** will undergo a total renovation and expansion. In addition to the coaches offices, the meeting rooms and video areas will also be updated and expanded. Did you know that the football offices have not been expanded in over 20 years?

Visit www.gatorboosters.org or contact us at (352) 375-4683 x5000 for more information on the project.
