# Dear Gator Boosters,

**It's one our favorite times of the year: The Start of a New Season for Gators Athletics.** This new year will feature the inaugural seasons for three head coaches: Coach Billy Napier in Football, Todd Golden in Men's Basketball, and Samantha Bohon in Soccer.

We, as Gator Boosters, will continue to adhere to our mission – to strengthen the University of Florida's athletic program through private giving and volunteer leadership from Gators everywhere.

We are fortunate to support over 500 student-athletes in 21 men's and women's teams while they pursue their education at a top-5 public university. We christened the Condron Family Ballpark in baseball, welcomed the new Soccer and Lacrosse team facility and are looking forward to opening the Heavener Football Training Center. These state-of-the-art program changing projects are made possible through your generous support.

The University Athletic Association dedicates over \$15 million per year for student-athlete scholarship aid. Our student-athletes rose to challenges in and out of the classroom last year by claiming 11 top-10 national finishes – including a trio of team titles by track & field. Their 3.21 grade point average in 2021-22 is the highest ever for Gator athletics.

Your financial support is making it possible for our program to strive to “be the model collegiate athletics program combining excellence and integrity in academics, athletics and fan engagement to elevate the UF brand”.

We're all proud to be Gators and we sincerely thank you for supporting Florida Athletics through Gator Boosters, Inc.

# BEN HILL GRIFFIN AWARD

This award is presented annually to the top University of Florida female and male student-athlete for outstanding levels of success in academics, athletics and leadership. The award was established in 1992 in honor of the Griffin family for their loyal support of Gator Athletics over the years. The award is open to all student-athletes and is based on the 2021 calendar year.

**Trinity Thomas'** junior season was much like her opening two Gator campaigns with big scores placing her among the nation's best. The York, Pa. native, was the nation's only gymnast with the maximum of five All-America honors in 2021 Women's Collegiate Gymnastics Association regular-season awards. She was among a handful of gymnasts across the nation with 10.0s in multiple events as she posted a pair of perfect marks for each uneven bars and floor exercise. She set Florida's all-around record of 39.90 – equaling the fifth-highest total ever in NCAA history – to lead the Gators to a key road win at then No. 2 LSU. An ankle injury in the regular-season finale at Alabama plagued her for the balance of the season, despite helping the Gators to the 2021 NCAA finals.

Thomas earned spots on the SEC Academic Honor Roll and WCGA Scholastic All-America lists every season of her collegiate career.

She announced she'll be back for a Super Season in 2023 season as a loaded Gators squad looks to make a run at the SEC and NCAA titles.

**Sam Riffice** hoisted two national championship trophies over his head at the conclusion of his 2021 campaign.

Not only did Riffice, the Orlando, Fla. native, captain the Florida men's tennis team to its first national title, he also charged his way through the NCAA Singles Tournament, defeating the No. 2 seed to earn the third singles title in program history. He was the first Gator to do so in over two decades, with the last singles crown coming in the 1999 season.

Nine players. That's how many have achieved what Riffice did in the 21st century – winning both a team and singles national championship. His singles record stood at 32-7, including wins over the No. 1 and No. 2-seeded players.

His remarkable season earned him accolades galore – ITA All-America, First Team All-SEC and a spot on the ITA All-Star Team.

Riffice's work on the court was sensational, but so were his efforts off. He was the first Gator to receive the distinction of CoSIDA Academic All-American, was tabbed as a Division I ITA Scholar-Athlete and was a member of the SEC Community Service Team. That's the Ben Hill Griffin Award winner way.

The Directors Circle is the exclusive philanthropic giving society of the Florida Gators designed to recognize the impact of our most generous and committed Gator Boosters. Through their leadership, participation and investment, Directors provide the critical financial support that enhances the experience and elevates the standard of excellence for our student-athletes, coaches, and administration.

Those in the Directors Circle will receive meaningful recognition and engagement opportunities appropriate to their commitment level and enjoy unique stewardship opportunities throughout their lifetime.

# FACILITY DONORS

Since athletics does not receive state funding, facility support has been made possible thanks to the generosity of this special group of donors.

The University of Florida is fortunate to provide its coaches and student-athletes with the very best athletic facilities. Some facility gifts have been made anonymously.

*Some donors (\*) are being honored in memoriam.*
